

Dear Parent / Carer,

ICT, including the internet, email and mobile technologies etc, has become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

Please read and discuss these eSafety rules with your child and return one copy of this leaflet to school. If you have any concerns or would like some explanation, please contact Miss Hodgeon or Miss Jobling.

We have discussed this and
(name of child) agrees to follow the Acceptable Use Agreement and to support the safe use of ICT at Bovesfield Primary School.

Bovesfield Primary School

Acceptable Use Agreement for pupils

I will only use ICT in school for school purposes.

I will only email people that my teacher has approved.

I will only open email attachments from people I know, or who my teacher has approved.

I will not tell other people my ICT passwords.

I will only open / delete my own files.

I will make sure that all ICT contact with other children and adults is responsible, polite and sensible.

I will not deliberately look for, save or send anything that could be unpleasant or nasty. If I accidentally find anything like this I will tell my teacher immediately.

I will not give out my own details such as my name, phone number or home address.

I will not arrange to meet someone I have met online unless this is part of a school project approved by my teacher and a responsible adult comes with me.

I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe.

I will support the school approach to online safety and not deliberately upload or add any images, video, sounds or text that could upset any member of the school community.

I know that my use of ICT can be checked and my parent / carer contacted if a member of school staff is concerned about my eSafety.

To help protect other pupils and myself, I will tell a teacher if I see anything I am unhappy with or I receive a message I do not like.

I will not bring removable media into school without permission.
