

PE & Sports Premium Funding 2018-19

The Secretary of State lays down the following terms and conditions of the grant. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage the development of healthy, active lifestyles.

Basis of Allocation

Allocations for the academic year 2018 to 2019 are calculated using the number of pupils in years 1 to 6, as recorded in the January 2018 census, as follows:

- schools with 17 or more pupils receive £16,000 plus £10 per pupil
- schools with 16 or fewer pupils receive £1000 per pupil

Where a school's pupils are not recorded by year group, pupils aged 5 to 10 are deemed eligible.

Bowesfield Primary PE & Sports Premium Profile	2018-19
Total pupil premium budget:	£17,810

PE & Sports Premium Key Outcome Indicator	School Focus/ planned Impact on pupils	Actions to Achieve	Total Cost	% of cost covered by PE & Sports Premium	Cost covered by PE & Sports Premium
Children have access to a range of activities after school.	Access to physical activity during After School Clubs	Children participate in and enjoy activities. Children's motor and social skills improve.	£1,800	100%	£1,800
<p>Children from Reception to Y6 have had the opportunity to participate in a range of clubs including: Dance, multi-skills, gymnastics, cricket, cheerleading, tennis, rounders, dodgeball, netball, ball games and basketball.</p> <p>There is a high level of participation and attendance for most children is good.</p> <p>Younger children (Y2) say that they enjoy sports clubs because: It gets them fit and gives them energy. They like getting stronger. It makes them healthy and they enjoy the games and activities they do. They play fun games and helps them learn to dance so that when they are older they might be able to be in a show. They like doing gymnastics routines.</p> <p>Older children (Y5) said they enjoy the clubs because: 'Say you want to be an Olympian, or a professional sports person, it prepares you' 'It helps you to get better with throwing and it helps with the sports you want to do when you're older.' 'It helps you move around, keeps you busy. Some people just go home and sit around but clubs help you move.' 'It helps you practise to be a professional'. 'Helps you bond with others.'</p> <p>Older children have an opportunity to develop their sports leadership skills during clubs, by supporting younger or less confident children.</p>

Children have indoor and outdoor P.E. kit provided by school.	Removes the risk of children not accessing P.E. due to not having suitable clothing. P.E. Kits	All children participate in P.E. in suitable clothing. Children have suitable clothing when representing school in competitions.	£526.50	100%	£526.50
<p>Children only miss P.E. because of injury; never because they have forgotten their kit. Every child has suitable kit which fits them.</p> <p>Children say: 'Having P.E. kit from school is good because you can never forget things. Getting things together for school can put your parents and you under stress.' 'You are not worrying about forgetting things.' 'It keeps you together as a team in competitions.' 'You can't get lost in competitions because it's easy to spot and you can go to someone else in a yellow top.'</p>

Children can access outdoor education visits to support their physical development	Access to outdoor education opportunities.	100% participation in visits Children have opportunities to participate in outdoor educational visits.	£9,000	55%	£5,000

25 / 27 Y5 children participated in a 3 day visit to an Outdoor Education facility. This was made affordable so that money was not a barrier to children attending if they wanted to.

When talking about the impact of their visit, children said:

If you are scared of something and you really want to try new stuff; we managed to be brave. I have learned not to be scared.

I overcame some of my fears, like my fear of heights on the zipline.

We spent three days without devices – we know now you can live without them. It shows there is more out there to do, not just being on devices.

You learn that you can do stuff when you didn't know you could.

When I went on the giant swing, I didn't want to go that high but I still pushed myself to go higher than I expected to go.

You got confidence from working together in groups – you are not just going to be that quiet one at the back.

When we went caving we had to communicate between ourselves so learnt how to work as a team. This was part of the puzzles activity too.

Children access competition level sport	Access to participation in a range of competitive sports.	Increased participation in competitive sport.	£500	100%	£500

Children from Reception, Y2, and Y3-6 have taken part in a range of competitions and activities as follows:
Multi-sports festival for Reception
Cross country, football and basketball, hula hooping, netball, Air Trail, sports workshop for less active children, racquet skills, tennis, cricket, athletics, active sports festival, orienteering

Children talk very positively about being part of competitions.
They talk about seeing friends they know out of school during competitions and the way that they 'were cheering each other on and encouraging each other.'
One child stated 'If you feel a bit lonely, or unappreciated, if you have done well and got a medal, you feel appreciated by your family.'
They talk about how competitions 'push you to your limit because you are competing against others that you don't know. You get used to competing with faster children. It gets you more confident, makes your muscles stronger.'

Children chosen to attend a games day for less confident learners said:

'It was really fun. It's good so that you can keep fit and have more energy. It gives you energy and confidence.'

I thought I couldn't kick the ball in the net but I did it.

I did dodgeball and it was fun. I was better than I thought I would be.

We played duck, duck, goose and it was exciting.

I thought I couldn't put the ball into a hoop because my aim is bad – but I did it. So now I feel more confident about my aim.

We learned some new games so we can play them on the field.
