

Year 3 Spring 2 Newsletter

English

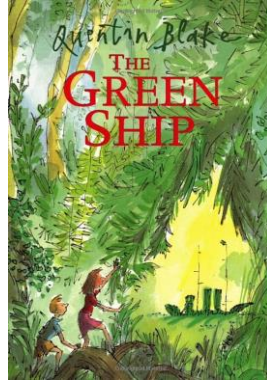

We will be learning about the features of adventure stories and will be writing our own exciting adventure stories.

The children will also be learning about punctuation, grammar spelling patterns.

The children have spellings to learn each week and will be tested on a Friday.

Reading

Our class text

Maths

This term we will be learning about measurement. We will be learning about length, weight and volume and will be solving problems using these measures.

The children have a daily arithmetic session where we will revisit number facts, including times tables to develop fluency.

Science

This term we will be continuing to learn about animals including humans. This will include learning about skeletons and muscles. We will set up simple experiments to see how much our muscles support our movement and will be visiting Flamingo Land Zoo on our school trip to see some animals in action.

Computing

Our online safety focus this term is how to communicate safely online using emails. The children will also be using Purple Mash to send and receive their own emails.

History/Geography

Our topic this term is the stone age to the Iron age.

We will be visited by a historian to tell us more about what life was like in these times. We will also be looking at how life changed during these periods in history.

R.E.

This term in R.E. we will be learning about Easter and why it is celebrated in Christianity.

French

In French this term we are learning all about how to talk about ourselves, our family and our friends.

P.E.

We will be learning the skills of outdoor and adventurous activities. On your PE day please come in your outdoor sports kit and trainers.

Y3LHMT - Tuesday and Friday.

Y3SA - Tuesday and Friday.

Useful information

Spellings will be given out and tested on a Friday.

Homework will be given out or set online on a Monday to be completed by the following Monday.
(Y3LHMT)

Homework will be given out or set online on Friday to be completed by the following Thursday.
(Y3SA)

We use a range of online resources in school and many can be used at home:

Activities across the curriculum: Purplemash.com/Bowesfield

Multiplication: TTRS.co.uk
