

# School Council Minutes

Meeting Date: 16<sup>th</sup> January 2023

Welcome

Present: Ameera, Aayan, Ahmad, M, Haider, Ahmad A, Ridhima, Arya G

Absent: Brian, Abdul, Tyla

- Discuss and appoint roles – chairperson and secretary – **to be voted on next meeting**
- Are councillors regularly talking with classmates? – **Not in all classes. Councillors told to arrange this with class teachers.**

Pupil Voice: updates – Feedback from each class

- More after school clubs – not sport related. **Councillors to ask peers what clubs they would like.**
- Lunchtime and playtimes were raised again- basketball is very violent, lots of people running around and fighting. Too crowded. Can't use the trim trail as it is on the grass. Could lower and upper ks2 have different playtimes?
- Mixed classes – y3/4 don't like mixed classes as it is very confusing.
- Lots of children not happy with the same children going to Cornerhouse every Tuesday, missing work, coming back with things they have made and presents - also working on the pond area (which is something other children would like the opportunity to do.)
- Y1/2 MN like the school packed lunches on trips and Stay on Green

Next steps:

- Make sure a councillor feeds minutes of the meeting back to SLT.
- Voting within next meeting for chairperson and secretary
- Councillors to speak to peers regarding what after school clubs they would like, if different to what is already on.

Date of next meeting: Monday 13<sup>th</sup> February
